Sheila and Marcus Gillette

"THEO"

Following her near-death experience in 1969, Sheila became the direct voice channel for a collective of 12 archangels known as THEO. She and her husband Marcus are the co-hosts of the popular web series "AskTHEO™ Live".

They share THEO's messages of hope and inspiration through public THEO experiences, television and radio appearances worldwide, and host several live and online mentoring programs.

They are co-authors of *The Soul Truth: A Guide to Inner Peace* (Tarcher/Penguin), and Sheila is also the author of her first groundbreaking book *The Fifth Dimension: Channels to a New Reality* (Simon and Schuster).

You may also recognize Sheila and THEO from the Abraham – Hicks publications as the mentors to Esther as she opened to channeling Abraham in 1984. Visit www.BigSkyRetreat.com for more information.
